

# One day in school

The alarm clock rings. It's time to get up.

Time to get dressed and get ready for school.

Have breakfast: cereals, fruit and juice.

Time to go to school and say bye bye to mummy and daddy.

Be careful when crossing the road!  
Use the pedestrian crossing, and wait for the greenman.

Arrive at school, and say hello to my friends.

In the classroom, today the weather is sunny and the first lesson is maths.

Writing practice: now it's an English lesson; practice writing the alphabet.

It's playtime!!! Outside in the garden with my classmates.

Now it's time for lunch. We are all very hungry!

After lunch it's art class:  
Using paints to create lovely pictures

Time to go home. My parents have come to collect me from school.
